Good morning Lorena,

I am forwarding to you the email with information that I received from our JCC Real Estate Unit informing me that license to occupy or use spaces in San Pedro Courthouse building is no longer being granted and therefore in particular, JCC will not be able to grant permission to LAPD Officer Nua to occupy a room at the Courthouse as well as the use of the breezeway in the secured back area of the court.

I am sorry that I will not be able to help.

Regards,

Leo,

The San Pedro courthouse is being sold, and the Judicial Council's Legal Services Office says "no more licenses" until escrow closes. Closing is estimated to be in early October; Mary Bustamante (JCC-REFM – Sacramento) will have more specific information as time goes on. **So unfortunately we need to say no to the L.A.P.D.**

Hi Jeff,

Is this something you would handle? If not, can you let me know who the most appropriate person would be to pass this along to?

Hi Rebecca,

I heard the sale of the courthouse made it past both houses and only needs the governor's signature. That's great news!

We are assisting Hot Import Nights on putting on a car show on Saturday, September 24, 2016. We have already made arrangements to use the parking lot but LAPD Officer Nua would like the use of a room in the courthouse building for the LAPD Command Center. Would that be possible?

Also, we would like to put food trucks in the breezeway behind the building. Would that be ok?

Please contact me at your earliest convenience.

Best regards,

Lorena Parker
